MEDICAL SOCIETIES

Prince Edward Island Med Assn—Pres, W J McMillan, Charlottetown; Sec, J G McDonald, Little York; Treas, Peter Conroy, Charlottetown.

THE REQUIREMENTS FOR REGISTRATION UNDER "THE PRINCE EDWARD ISLAND MEDICAL ACT," AND AMENDMENTS THERETO ARE SET FORTH IN THE FOLLOWING SECTIONS OF THE ACT AND BY-LAWS OF THE MEDICAL COUNCIL

SECTIONS OF THE ACT

9. The Council shall admit to registration, upon payment of the required fee, all such persons as are duly registered by the General Medical Council of Great Britain.

10. Subject to the exceptions made in this Act, no person shall be entitled to have his name entered on the medical register, unless he produces evidence satisfactory to the Council.

(a) That he has passed a preliminary or matriculation examination upon the subjects specified in the by-laws of the Council, and had his name registered in the medical students' register; also,

(b) That after such examination and registration, he has pursued his professional studies during a period of not less than five years; also,

(c) That during the said five years he has attended at a university, college, or incorporated school of medicine, in good standing, a graded collegiate course of five sessions, each session to be of such duration, and the entire course to include sufficient and satisfactory lectures and instruction in medicine, surgery and midwifery, together with such attendance upon the general practice of a hospital, as the by-laws of the Council shall require; also,

(d) That he has satisfactorily passed an examination in the various branches of professional studies, specified in the by-laws of the Council, before professional examiners appointed by the Council; and upon passing the examination required, and on payment of the fee for such examination, also the fee for registration, which fees shall be fixed by the bylaws of the society, he shall be entitled to registration. Provided that any person holding the degree of B. A., from any university in His Majesty's Dominions, or any person holding a teacher's license of the first-class of this province, shall not be required to pass the matriculation examination.

11. The Council shall cause to be kept by the Registrar a book or register to be called the "medical students' register," in which shall be entered the names of all who have passed the said matriculation examination, together with the date of registration and such other particulars in regard thereto, as may be by the Council deemed necessary or expedient. A fee of two dollars shall be paid for such registration and a certificate thereof.

12. When and so soon as it appears that there has been established an examining body similar to that constituted by this Act, or an institution duly recognized by the Legislature of any of the provinces of the Dominion of Canada, other than Prince Edward Island, as the sole examining body for the purpose of granting certificates of qualification, and wherein the curriculum is equal to that approved of by the Medical Council of the Province of Prince Edward Island, the holder of any such certificate shall, upon due proof, be entitled to registration by the Council of Prince Edward Island, if the same privilege is accorded in such other province to those registered in Prince Edward Island.

17. Where any medical practitioner has been guilty of any infamous or disgraceful conduct in a professional respect, such practitioner shall be liable to have his name erased from the register, and if such a practitioner applies for registration the Council shall have power to refuse such registration. The Council shall upon the application in writing of any three registered practitioners, specifying the cause or causes of complaint, cause enquiry to be made into the case of a person alleged to be liable to have his name erased from the register on account of infamous or unprofessional conduct. No action shall be brought against the Council for anything done bona fide under this section for want of form.

18. It shall be lawful for the Registrar upon the order of the Council, to publish a notice in any newspaper or newspapers published in Prince Edward Island, stating the fact that the name of any person has been erased from the register under the provisions of the last preceding section, and the cause of such erasure; provided that if such person has appealed within the time allowed for an appeal under this Act, no such notice shall be published until such appeal has been disposed of. It shall also be lawful for the Registrar upon the order of the Council to publish in any newspaper or newspapers published in Prince Edward Island, the name or names of any person or persons unlawfully practicing medicine in this province without registration.

23. (1) The Registrar of the Council shall under the direction of the Council cause to be printed and published once in two years, a correct copy of the register, containing the names of all persons registered, in alphabetical order, according to the surnames, with the respective residences, together with the medical titles, diplomas and qualifications conferred by any college or body, with the dates thereof, as existing on the day of the publication; and the copy of such register for the time being, purporting to be so printed and published as aforesaid, shall be prima facie evidence in all courts and before all justices of the peace, that the persons therein specified are registered according to the provisions of this Act, and subject to the provisions of sub-section 2 of this section, the absence of the name of any person from such copy shall be prima facie evidence that such person is not registered according to the provisions of this Act.

(2) In the case of any person whose name does not appear in such copy, a certified copy under the hand of the Registrar of the entry of the name of such person on the register, shall be evidence that such person is registered under the provisions of this Act.

The following is hereby added as sub-section (3) to Section 23 of the said Act:

"(3) A true copy of the register of the Medical Council required to be kept under this section shall be hereafter published once in each year in the Royal Gazette of this province."

41. The Medical Council shall upon receiving information that any member of the society has removed to another province or country and engaged in the practice of his profession, and taken up his residence in said province or country, cause his name to be erased from the medical register, after two years' absence, unless said party desires to continue membership by paying all dues and annual assessments of the Council.

(2) Any person being at the time a resident in this province, and who, at any time between the first day of July, 1896, and the first day of July, 1899, has commenced the study of medicine for the purpose of qualifying himself to practice the same in this province, and who complies with the conditions and provisions in that behalf contained in the Acts hereby repealed, and with the rules and regulations made thereunder and now in force, and who after the first day of July, 1899, pursues and completes the remainder of his studies under the conditions and provisions of this Act, shall be entitled to be registered under this Act.

BY-LAWS OF MEDICAL COUNCIL

I. Following are the subjects of the matriculation examination:

English—Grammar, composition, literature and rhetoric.

Arithmetic—Including vulgar and decimal fractions, the extraction of the square and cube root and mensuration.

Algebra—To the end of quadratic equations.

Geometry—First three books of Euclid.

Latin—First two books of Virgil's Æneid, or three books of Caesar's commentaries, translation and grammar.

Elementary Mechanics of solids and fluids, comprising the elements of statics, dynamics and hydrostatics. Elementary chemistry.

Canadian and British History—With questions in modern geography.

Translation and grammar in any two of the following subjects: Greek, French, German, Fifty per cent of the marks in each subject shall be required for a pass, and 75 per cent in all the subjects for honors.

If fifty per cent be made in all the subjects but one, the candidate may begin his professional studies and present himself in that subject alone at the next examination without additional fee.

Candidates failing in more than one subject will be allowed those subjects in which they have passed, but will be required to pay an additional fee of five dollars, on presenting themselves for examination in the remaining subjects, and in the meantime may not begin their professional studies.

No candidate shall be admitted to such matriculation examination, unless he shall have given notice to the Registrar at least 14 days previous to such examination of his intention to present himself, and shall before the examination, have paid to the Registrar a fee of ten dollars.

The Council will accept fully or recognize pro tanto, the examinations required by the Medical Councils or Boards of New Brunswick or Nova Scotia, also of any other pronvince or territory in Canada which may hereafter reciprocate with this Council in this respect.

Except where otherwise specified, the Council recommends as text books, the books prescribed by the Board of Education of this province, for students preparing for an Academic Teacher's License.

The matriculation examinations shall take place beginning on the first Thursday in May and September in each year.

The examiners shall be the Chief Superintendent of Education and the Secretary of the School Board of the City of Charlottetown for the time being, or such other person or persons as the Council may from time to time appoint.

The Council shall pay to each examiner for each examination, such fees as it may from time to time decide upon.

II. Professional Studies and Examinations.

The curriculum of professional studies shall embrace the following:

Attendance during five years at a university, college or incorporated school of medicine in good standing, upon a graded collegiate course of four sessions of not less than eight months each, such course to include satisfactory and sufficient lectures and instructions in anatomy, practical anatomy, chemistry, practical chemistry, physiology, histology, materia medica, pharmacy, therapeutics, surgery, clinical surgery, medicine, clinical medicine, obstetrics, diseases of women and children, medical jurisprudence, hygiene, pathology (including bacteriology and post-mortem examinations), also attendance for a period of not less than thirty-two months, upon the general practice of a hospital containing not less than one hundred beds.

No candidate shall be admitted to the professional examination, unless at least 14 days before such an examination he shall have made a written application therefor to the Registrar, in a form prescribed by the Council, and shall have produced before the Registrar, all required certificates, and before such examination shall have paid to the Registrar the required fee for such examination, also the fee for registration, which latter fee shall be refunded in the event of failure to pass the examination. All applications shall be submitted to the council by the Registrar, and shall be subject to its approval.

The examiners shall be the members of the Council, or such other persons as the Council may from time to time appoint.

The examinations shall take place in the month of July in each year, at such time and place as the president shall appoint.

In order to pass, candidates must take 50 per cent of the marks in each subject.

If fifty per cent be made in all the subjects but one, he may present himself for examination in that subject alone, with or without additional fee, as the Council shall decide.

The fee for the professional examination shall be fifteen dollars, which fee shall be in all cases paid into the hands of the Registrar prior to the examination.

III. No name shall be placed upon the Prince Edward Island register without the order of the Council.

IV. If from any cause the Registrar is unable to attend any meeting of the Council, it shall be competent for the Council to appoint a Registrar pro tem, who shall have all the powers of the Registrar.

V. Each member of the Medical Society shall pay to the Registrar an annual fee of not more than five dollars (the precise fee for the year to be decided upon by resolution of the Council), and which fee shall be payable on the first day of July in each year.

VI. The fee for registration in the Prince Edward Island medical register shall be twenty dollars, which fee shall in all cases, be paid to the Registrar before such registration is effected.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES

ABBREVIATIONS

R, Regular—H, Homoeopathic—Ecl, Eclectic—P M, Physio-Medical—*, No report received—§, Holds certificate of Examining Board—R D 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population. The first number (the key to which will be found on page 143 and following) indicates the college of graduation, and the last number the year.

MEDICAL LAW OF QUEBEC.

Sec. 6.—ADMISSION TO THE PRACTICE OF MEDICINE, AND THE PRACTICE OF MEDICINE.

"4002d. For the purpose of examining candidates for the practice of medicine, a board shall be established called the 'Medical Board of Examiners,' two-thirds of whom shall be professors of the factulties of medicine of the universities mentioned in article 3972, and one-third representatives of the College.

The examiners of such medical board shall remain in office for four years.

"4002e. 1. The date of the examinations and the total number of examiners shall be determined by the deans of the faculties of medicine of each of the universities, and the chairman of the Provincial Medical Board.

The English and French languages shall be the only official languages for such examinations.

Examinations shall be held in each of the universities.

"4002f. 1. The candidates for the practice of medicine who wish to pass the examination before the Medical Board of Examiners, shall, in addition to the other conditions prescribed by by-law, give the registrar of the College a written notice in accordance with Form 5, at least fifteen days before the examination, that he wishes to pass, and such notice shall be accompanied by the fee fixed by by-law.

2. Such notice shall set forth the names and surname of the candidate as entered in his certificate of birth, and shall indicate the university where he wishes to pass his examination.

"4002g. 1. The examiners whom the Provincial Medical Board shall assign to Laval University at Quebec, and to Laval University at Montreal shall be French-speaking physicians, and those whom it shall assign to McGill University shall be English-speaking physicians.

2. The universities and the Colleges shall each pay the examiners they appoint.

"4002h. The reports of the above examinations made in accordance with Form 6 shall be sent to the registrar of the College. The Provincial Medical Board shall grant a license in accordance with such reports, and on presentation of a university degree of doctor of medicine. The rights granted by such license shall be exercised only from the date when the licentiate shall have taken the oath according to Form 12.

"4002i. No person who has passed the examination for admission to practice medicine, shall commence to practice as a physician, until after the expiration of five consecutive years from the date of the registration in the office of the College of his bachelor's diploma or certificate of admission to study.

"4002j. No person can practice medicine, surgery and midwifery in the Province, unless he has obtained a license from the Provincial Medical Board. To obtain such license, he must comply with the requirements of this section and be the holder of a university degree of doctor of medicine granted by one of the universities approved by the Provincial Medical Board.

"4002k. Without limiting the meaning of the words 'practice of medicine,' the attending at confinements, treating habitually and continuously following the treatment of diseases or surgical affections, either by giving medicine or by making use of mechanical. physical or chemical processes or of radio-therapy or of X-rays, shall constitute the practice of medicine.

"4002l. The license permitting the practice of medicine, surgery and midwifery in this Province, shall be signed by the president, and by the registrar and by one of the vice-presidents, and shall bear the seal of the College.

"4002m. Every member of the medical profession, who, at the time of the passing of the act 40 Victoria, chapter 26, was the holder of a license from the College, and who has not subsequently caused himself to be registered according to this section, is entitled to do so provided he proves his status to the satisfaction of the registrar and pays the prescribed fee for obtaining the license.

"4002n. Subject to the privileges granted by article 4002o every person who having followed a regular and complete course in a university outside the Province, has obtained a degree of doctor of medicine from such university, and who has moreover followed a medical course considered equivalent by the Provincial Medical Board to that given by the universities of the Province of Quebec, and who furnishes to the satisfaction of the said Board proof that he has passed a preliminary examination equivalent to that required in the Province of Quebec, shall be entitled to a license on payment of the fees exacted, provided he follows the last year's course of one of the schools of medicine in this Province and successfully passes the examination for candidates to the practice of medicine before the Medical Board of Examiners.

"4002o. The persons whose names are registered in the medical register of the United Kingdom of Great Britain and Ireland, under the Imperial medical acts, shall be entitled, on producing proof of such registration, and of their good reputation, and on payment of the fees then exigible for granting such license, to obtain such a license without having to pass any examination, provided they establish, to the satisfaction of the Provincial Medical Board.

1. That they had obtained from the Provincial Medical Board, a certificate of admission to study medicine five years at least before their registration in the medical register of the United Kingdom; or

2. That they are registered in the medical register of the United Kingdom and have been qualified to practice their said profession in the said United Kingdom, after a period of not less than five years' study during which they have resided without interruption in the said United Kingdom.

This article shall take effect only in so far as the Imperial Medical Act of 1886, and its amendments shall apply to the Province of Quebec.

"4002p. The decision of the Provincial Medical Board as to the acceptance of the certificates mentioned in articles 4002n and 4002o, is final and without appeal.

"4002q. As soon as a medical board of examiners is established similar to that established in this section or as soon as there is established an institution recognized by the Legislature of any other province of Canada, as the only board of examiners for the purpose of granting certificates of competency, and in which the course of study is deemed equivalent to that in the Province of Quebec, the holder of such certificate shall, upon satisfactory evidence be entitled to registration by the Provincial Medical Board of the Province of Quebec, provided the same privilege be granted by such medical board of examiners or institution to the holders of certificates from the Provincial Medical Board of the Province of Quebec.

"4002r. No person entitled to be registered under this section, and who while practicing medicine, surgery and midwifery in the Province, neglects or omits to have himself registered, can claim any of the rights and privileges granted by this section, and he shall be liable to all the penalties imposed by it or by any other act, against any person practicing medicine, surgery and midwifery without having been registered as required.

Every physician may keep the medicines, drugs, and the medical, chemical, or mechanical apparatus which he may require, and may use the same in the practice of his profession.

"4002s. 1. Practicing medicine, surgery or midwifery under a false name is prohibited under the penalty enacted by article 4002rr.

2. Midwives are forbidden to use instruments. In the case of a difficult confinement they shall call in a licensed physician under the penalty enacted by article 4002rr."

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES

ABBREVIATIONS

R, Regular—H, Homoeopathic—Ecl, Eclectic—P M, Physio-Medical—*, No report received—§, Holds certificate of Examining Board—R D 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population. The first number (the key to which will be found on page 143 and following) indicates the college of graduation, and the last number the year.

Saskatchewan Med Assn—Pres, G R Peterson. Saskatoon; V-Pres, R H Smith, Moose Jaw; Sec-Treas, Arthur Wilson, Regina.

MEDICAL LAW OF SASKATCHEWAN.

REGISTRATION.

29. The council shall cause to be kept by the registrar a book to be known as the register in which shall be entered the name of every person entitled to be registered according to the provisions of this Act and those persons only whose names are inscribed in the register and who are not under suspension by the council shall be deemed to be qualified and licensed to practice medicine, surgery and midwifery in the province except as hereinafter provided, and such register shall be at all times open and subject to inspection by any person.

30. The council shall admit upon the register:

(a) Every person registered as a member of The College of Physicians and Surgeons of the North-West Territories at the time of the coming into force of this Act and whose fees at such time are fully paid to the said college;

(b) Every such person as aforesaid whose fees are not fully paid up upon payment of the fees in arrears by such person as shown by the list referred to in section 5 hereof which fees shall be paid to the registrar of the college together with the total amount of the annual fees levied by the college from the date of the coming into force of this Act until the date of the registration of such person;

(c) Any person who shall produce a diploma of qualification from any college or school of medicine and surgery recognized by the college which exacts for such diploma attendance upon a course of lectures extending over a period of four years and embracing at least six months of each year, evidence of which shall be produced if required, and who shall furnish to the council satisfactory evidence of identification and pass before the members thereof or examiners appointed by them for the purpose a satisfactory examination appertaining to the profession of medicine and his fittness and capacity to practice medicine, surgery and midwifery and shall pay to the registrar of the college the sum of fifty dollars towards defraying the expenses of the examination board and in addition the fee for registration.

31. The council may at any time direct the name of any person improperly registered to be erased from the register by the registrar and such name shall be so erased.

32. It shall be the duty of the registrar to keep his register correct in accordance with the provisions of this Act and the rules, orders and regulations of the council, and he shall from time to time make the necessary alterations in the addresses, or qualifications of the persons registered under this Act, and the said registrar shall perform such other duties as may be imposed on him by the council.

33. Whenever there is established under the Act of the Parliament of Canada known as The Canada Medical Act 1902 or any Act in amendment thereof or substitution therefor a registrar for Canada of medical practitioners under the control of the medical council appointed or elected pursuant to the provisions of the aforesaid Act or Acts, then notwithstanding anything in this Act contained, any person duly registered in the said register for Canada as a medical and surgical practitioner shall be deemed qualified and entitled to be registered in the register of the province as a duly qualified medical and surgical practitioner, and such person and no other shall be registered and such registration shall be made upon production of a certificate under the hand of the registrar of the said medical council of Canada certifying that such person is duly registered in the said register of Canada, and upon satisfactory proof of the identity of such person, provided that such person may be required to pay such fee for such registration in the province as the council of the province may impose in that behalf, and provided that the provisions of this section shall not apply to or affect any person duly registered under the said Act at the time The Canada Medical Act 1902 or any amendment thereof or substitutive Acts therefor become operative.

FEES.

34. The fee for registration under this Act shall be fifty dollars.

35. Each member shall pay to the registrar or to any person deputed by the registrar to receive it, such annual fee as may be fixed by by-law of the council towards the general expenses of the college, which fee shall be payable on the first day of January in each year and such fee shall be deemed to be a debt due by each member of the college and shall be recoverable with costs of suit in the name of the college:

Provided that the council may by resolution remit any annual fees due to the college by any member who is or has been resident out of the province during the period in respect of which such fees became payable.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES

ABBREVIATIONS

R, Regular—H, Homoeopathic—Ecl, Eclectic—P M, Physio-Medical—*, No report received—§, Holds certificate of Examining Board—R D 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population. The first number (the key to which will be found on page 143 and following) indicates the college of graduation, and the last number the year.

MEDICAL LAW OF NEWFOUNDLAND

Cap. IX.—An Act respecting the Newfoundland Medical Board

Whereas an Act was passed in the 56th year of the reign of Her late Majesty, entitled "The Newfoundland Medical Act, 1893;"

And whereas a medical board was appointed under the provisions of said Act, and consisted of the following medical practitioners, viz.: Henry Shea, William M. Allan, J. S. Tait, H. Rendell, N. McKendrick, J. G. Duncan and N. S. Fraser;

And whereas it is advisable to enlarge the powers of the said board: Bt it therefore enacted by the Governor, Legislative Council and House of Assembly, in Legislative Session convened, as follows:

1. The following medical practitioners, namely: Henry Shea, W. M. Allan, J. S. Tait, H. Rendell, N. McKendrick, J. G. Duncan and N. S. Fraser, and their successors under this Act, shall be and are hereby constituted a board for the purposes of carrying out the provisions of this Act, and shall be known as "The Newfoundland Medical Board."

2. The members of the said board shall hold office during good behavior or until voluntary resignation, subject to removal at any time by the Governor in Council upon the petition of five members of the said board.

3. Any vacancy in the said board shall be filled by the registered medical practitioners of Newfoundland, by election in such manner and subject to such rules as

may be made by the said board. All registered medical practitioners shall be entitled to vote at any such election.

4. The board shall hold an annual meeting at such time and place in Newfoundland as may be determined upon. At this meeting the board shall appoint examiners and fix the time of examinations for the ensuing year. Such other meetings as may be necessary shall be held in St John's, and shall be called by the secretary upon giving a reasonable notice thereof to each member.

5. The board shall consist of seven members, of whom four shall be resident medical practitioners resident in St. John's. Four members shall be a quorum for all purposes.

6. The board shall elect one of their number as president and another as treasurer, and a third as secretary and registrar. The duties of the said officers and the remuneration (if any) to be paid them shall be determined by the board.

7. The board shall have power to make rules, not inconsistent with this Act, respecting:

(a) The holding of meetings, and the place and time of, and the order of business at such meetings.

(b) The filling of vacancies in the board by election, and the taking and receiving of votes of registered practitioners by proxy or otherwise at such elections.

(c) The conduct of examinations and the granting of certificates upon matriculation.

(d) The registration of members:

(e) The fees payable for registration, certificates, licenses and examinations under this Act, and fixing the amount of such fees; and

(f) The inquiry by the board into complaints against persons charged with an offense under Section 23 of this Act, and the mode of procedure thereon.

8. The board may make such further rules, subject to approval by the Governor in Council, as they may deem necessary for carrying into effect the purposes of this Act.

9. No person shall begin or enter upon the study of medicine, surgery or midwifery, in this colony, unless he shall have obtained from the Newfoundland Medical Board a certificate that he satisfactorily passed a matriculation or preliminary examination on the subject in Schedule A hereto.

10. No candidate shall be admitted to such matriculation or preliminary examination unless he shall have, at least fourteen days previous to such examination, given notice to the Registrar of his intention to present himself for such examination, and shall, before the examination, have paid to the Registrar the fee prescribed by the board.

11. The board shall cause to be kept by the Registrar a book or register, in which shall be entered the name of every person registered, according to the provisions of this Act, together with his place of residence, and the medical titles, diplomas and qualifications conferred by any college or body, and the dates thereof, and the said register shall be in the form in Schedule B, or as near thereto as may be found convenient. Those persons only whose names are inscribed in the book or register shall be deemed to be qualified to practice medicine, surgery, or midwifery in this colony.

12. The Registrar shall, on or before the 15th day of January in each year, cause to be printed and published in the Royal Gazette a copy of said register containing the names in alphabetical order according to the surnames of all persons appearing on the register at that date.

13. Such register shall be called "The Newfoundland Medical Register," and a copy of the same for the time being shall be prima facie evidence in all courts and before all justices of the peace and others, that the persons therein specified are registered according to the provisions of this Act, and the absence of the name of any person from such register shall be prima facie evidence that such person is not registered according to the provisions of this Act.

14. The Registrar shall enter upon the register the names of all persons registered under the Act 56 Vic., Cap. 12, without fee.

15. Every person shall be entitled to have his name registered on the Newfoundland Medical Register upon satisfying the board that he holds a medical degree or diploma from some regular university or school of medicine, having a four years' course of study, and that he has, prior to obtaining such degree, passed a preliminary or matriculation satisfactory to the board, and upon paying to the Registrar the fee prescribed by the board.

16. No qualification shall be entered on the register either on the first registration or by way of addition to a registered name, unless the Registrar is satisfied by proper evidence that the person claiming such qualification is entitled to it. An appeal from the Registrar shall be decided by the board.

17. Any entry proved to the satisfaction of the board to have been fraudulently or incorrectly made may be erased from the register by an order of the board.

18. Any person registered under this Act who may have obtained any higher degree or diploma, other than that already recorded in the register, shall be entitled to have the same inserted in the register in addition to or in substitution for that previously inserted.

19. Every registered medical practitioner shall annually, before the 10th day of January, take out from the Registrar a certificate to practice, for which he shall pay to the Registrar the fee prescribed by the board. The said fee shall be deemed to be a debt due by each registered medical practitioner to the board, and shall be recoverable with costs in an action in the name of the Newfoundland Medical Board before any stipendiary magistrate or justice of the peace.

20. Every person registered under this Act who shall have taken out the certificate, as provided in Section 19, shall, be entitled to practice medicine, surgery and midwifery in any part of this colony, and to demand and recover in any court reasonable charges for professional aid or advice, together with the cost of any medicine or other medical or surgical appliance supplied by him.

21. Any person entitled to be registered under this Act, who neglects or omits to take out the certificate provided in Section 19, shall not be entitled to any of the rights or privileges conferred by registration so long as such neglect or omission continues, and he shall be liable to all penalties imposed by this Act upon unqualified or unregistered practitioners.

22. The board may, after examination, grant to any person, not otherwise qualified or entitled to registration under this Act, a license to practice medicine, surgery or midwifery for a limited period in specified localities. The names of such licenses, together with the period for, and the locality in, which they may

practice, shall be entered in the register and published as hereinbefore provided in the case of registered medical practitioners. Such licenses shall pay the fee prescribed by the board, and shall thereupon be entitled to demand and recover in any court reasonable charges for aid and advice, together with the cost of any medicine or other medical or surgical appliances supplied by him during the period and within the limits of his license.

23. Whenever a medical practitioner or licensee registered under this Act has been or may hereafter be found by the medical board, after due inquiry by a committee of their number or otherwise, guilty of professional misconduct or malpractice, or of conduct unbecoming a practitioner, the said board may resolve that such medical practitioner or licensee is unworthy to practice medicine, surgery or midwifery in this colony and strike his name off the books and the register, either absolutely or for a limited period, and thereupon all the rights and privileges of the said medical practitioner or licensee shall henceforth cease and determine, either absolutely or for such period.

(a) Such medical practitioner or licensee may appeal from such decision to the supreme court at its next sitting, upon giving due notice thereof to the said board (in which notice shall be set forth the grounds of appeal) within fourteen days after the passing of such resolution. When such notice shall have been given, the secretary shall transmit all papers connected with the charge and proceedings thereunder and the evidence taken thereon to the supreme court. If no notice be given within the time specified, or in case such appeal be not prosecuted at the next sitting of the supreme court, the resolution of the board shall stand confirmed.

24. It shall not be lawful for any person not registered to practice medicine, surgery or midwifery for hire, gain or hope of reward, and if any person not registered pursuant to this act practices, or professes to practice medicine, surgery or midwifery, for hire, gain or hope of reward, he shall, upon conviction in a summary manner before a justice of the peace, pay a penalty not exceeding fifty dollars, or, in default of payment, be imprisoned for a period not exceeding six months.

25. Any person who wilfully or falsely pretends to be a physician, doctor of medicine, surgeon or medical practitioner, or assumes any title, or addition or description other than he actually possesses or is entitled to, shall be liable, upon conviction thereof in a summary manner before a stipendiary magistrate or justice of the peace, to a penalty not exceeding fifty dollars, or, in default of payment, to imprisonment for a period not exceeding three months.

26. Any person, not registered pursuant to this act, who takes or uses any name, title, addition or description, implying or calculated to lead people to infer that he is registered under this act, or that he is recognized by law as a physician surgeon, accoucheur, or a licentiate in medicine, surgery or midwifery, shall be liable, on conviction thereof in a summary manner before a stipendiary magistrate or a justice of the peace, to a penalty not exceeding fifty dollars, or in default of payment, to imprisonment for a period not exceeding six months.

27. No person shall be entitled to recover in any court any charge for any medical or surgical advice, or for attendance, or for the performance of any operation, or for any medicine, which he may have prescribed and supplied, unless he is registered under this act, and shall have for the current year taken out the certificate provided in section 19, or the license provided in section 22 of this act.

28. In any trial or prosecution under this act the burden of proof shall be upon the person charged.

29. All penalties recovered under this act shall be paid to the registrar, and shall form part of the funds of the board. Any person may be prosecutor or complainant under this act, and the board may allot such portion of the penalties recovered as may be expedient towards the payment of such prosecutor.

30. No person shall be appointed as medical officer, physician or surgeon in any branch of the public service, or in any hospital or other charitable institution, unless he is registered under this act.

31. Any person, whilst employed in actual service in any naval or military service as physician or surgeon, may practice medicine, surgery or midwifery in Newfoundland after having been registered.

32. Nothing in this act shall prevent private persons from giving necessary medical or surgical aid in times of urgent need, provided that such aid is not given for gain or hire.

33. Nothing in this act shall prevent the practice of midwifery by females.

34. If the registrar shall wilfully cause any name to be placed on the register not in accordance with the provisions of this act, he shall forfeit the sum of one hundred dollars, and be removed from his office by the said board.

35. The words "legally qualified medical practitioner," or "duly qualified medical practitioner," or any other words importing a person recognized by law as a medical practitioner or member of the medical profession, when used in any act of the legislature or legal or public document, shall be construed to mean a person registered under this act.

36. The Act 56 Vic., Cap. 12, is hereby repealed; provided, that such repeal shall not invalidate anything done, or affect any right acquired by registration under the said act.

37. This act may be cited as "The Newfoundland Medical Act, 1896."

SCHEDULE "A."

Uniform Standard of Matriculation or Preliminary Examination Established Under This Act.

Compulsory: English grammar, composition and literature, arithmetic, including vulgar and decimal fractions and the extraction of the square root, Algebra, to the end of simple equations, geometry, the first three books of Euclid, with easy questions on the subject matter of the same, Latin, including grammar, translations from specified authors, and translation of easy passages not taken from such authors, elementary mechanics of solids and fluids.

Optional: (a) History of England or of British America, with questions in modern geography; (b) French, German or Greek translations, with grammar; (c) magnetism and electricity; (d) chemistry, SCHEDULE "B."

Cap. VIII—An Act to amend "The Newfoundland Medical Act, 1896."

1. Section 15 of "The Newfoundland Medical Act, 1896," is hereby repealed and the following substituted therefor:

(15) Every person shall be entitled to have his name registered on the Newfoundland Medical Register upon satisfying the board that he holds a medical degree or diploma from some regular university, or school of medicine (not being an honorary degree) having not less than a four years' course of study, and that he has, prior to obtaining such degree, passed a preliminary or matriculation examination satisfactory to the board; provided, however, that every person desirous of being registered under the provisions of this act shall, before being entitled to registration, furnish to the board satisfactory evidence of identification, and shall pass before the members thereof, or such other examiners as may be appointed by the board for that purpose, a satisfactory examination touching his fitness and capacity to practice as a physician and surgeon.

2. The following provisions shall apply to the examination provided for under the next preceding section:

(1) Examinations shall be held regularly in St. John's on the second Tuesday in June each year; provided, that the said board may, if the said board deem it expedient, upon a special application in writing by and intending candidate for that purpose hold a special examination on any other date in any year.

(2) Any person desirous of presenting himself for examination under this act shall, at least fourteen days before the date of such examination, give to the registrar of the board at least fourteen days' notice in writing of his intention to so present himself, and shall with such notice pay to the registrar for the use of the board, in case of candidates at the regular annual examination of the board, a fee of fifty dollars and in case of a candidate at a special examination held on the application of such candidate, a fee of one hundred dollars.

(3) The said examination shall be conducted orally and in writing, and shall be upon the following subjects, namely:

(a) Medicine, including pathology and therapeutics.
(b) Surgery, including pathology and surgical anatomy.
(c) Midwifery, including diseases of women and children.

(4) The board may from time to time make rules and regulations for holding and conducting of the said examinations.

3. A person who holds a medical degree or diploma from any of the regular universities or colleges in the United Kingdom, Dominion of Canada and the British Colonies, who has satisfied the conditions mentioned in section 15 of this act as to his qualifications, and who has been duly registered under the laws in force in any of the above places where an equivalent examination to the one therein established is conducted shall be entitled without examination to be registered upon the Newfoundland Medical Register, upon paying the prescribed fee and upon producing to the board a certificate of good standing in the profession from the registrar or other officers of the medical body having jurisdiction in the place at which he is registered, and satisfactory evidence that he has not lost the benefit of his said registration by misconduct or for any other cause whatsoever.

4. The board may, before accepting an applicant for registration under section 3 of this act, require such applicant to attest upon oath before a justice of the peace or stipendiary magistrate the evidence required by the said action.

5. Whenever by any law now or hereafter existing in this colony any certificate or other document shall be required to be given or signed by a physician, surgeon or medical practitioner, such certificate or other document shall be void, unless the person giving or signing the same shall be a duly registered practitioner under the provisions of this act.

6. All monies received by the board, or any officer thereof, shall be paid over to the treasurer, and shall be applied for the purposes of the board under this act.

7. Section 30 of the Newfoundland Medical Act, 1896, is hereby repealed and the following substituted therefor:

(30) No person shall be appointed as medical officer, physician or surgeon in any branch of the public service, or in any hospital or other charitable institution, or shall act within this colony as medical officer, physician or surgeon to any company or corporation unless he is duly registered under this act.

8. This act shall be read with and form part of "The Newfoundland Medical Act, 1896," and the two acts may be cited as "The Newfoundland Medical Act, 1896-1906."

POLK'S

DENTAL REGISTER

and DIRECTORY

IT IS A FACT that the leading and progressive men in the dental profession regard the **REGISTER** as a standard book of reference which ought to be in every dentist's library.

The Register is designed to so completely cover the dental directory field that further investment in that line will be unnecessary.

If you want to know the **COLLEGE STANDING** of the dentists you come in contact with, you will find it in the Register.

The **INDEX TO DENTISTS** in the Register will enable you to locate a **LOST FRIEND** if he is practicing anywhere in the United States.

Lists of Dentists arranged by States, giving Postoffice Address, with Population and Location of each place.

College and Class of Graduation.

All the Existing and Extinct Dental Colleges in the United States and Canada, with Location, Faculty, etc., arranged by States and Provinces.

Auxiliary and Post Graduate Institutions and Courses.

Dental Colleges in the United States and Canada arranged Alphabetically by Name.

Classified Directory of Business Pertaining to the Dental Profession.

The various National, Interstate, State and Local Dental Societies, Dental Journals, Boards of Dental Examiners, and other Dental Institutions.

The full text of the Laws for regulating the Practice of Dentistry in each State and Province.

Dental Department of the U. S. Army.

A Descriptive Sketch of each State and Territory and Province.

General Alphabetical list of Dentists, and reference to dental standing.

The Hahnemann Medical College and Hospital

of PHILADELPHIA

Offers Unexcelled Facilities for Clinical and Laboratory Instruction

The institution offers a pre-medical preparatory year and a standard four years' course of studies in medicine. The candidate on graduation receives the degree of "Doctor of Medicine" and the special degree "Doctor of Homoeopathic Medicine" as granted by the charter of the State of Pennsylvania.

New Laboratories, a hospital of 300 beds under complete control of the medical school, and ward and dispensary work in small sections enhance the amount of individual instruction.

Clinical Opportunities

Last year the Hahnemann Hospital admitted and treated in all its departments over 25,000 patients. This abundance of clinical material is all directly available for teaching purposes, which includes Clinical Lectures, Sectional Clinics, Ward Classes, Individual Ward Work, Dispensary Work and Clinical Laboratory Work in all its branches under direct supervision.

The College also has the advantage of affiliation, for teaching purposes, with The Children's Homoeopathic Hospital, St. Luke's Homoeopathic Hospital, The West Philadelphia General Homoeopathic Hospital, Allentown Hospital for the Insane and Municipal Hospital for Contagious Diseases.

Special attention is directed to the Department of Materia Medica and Therapeutics. The munificent endowment of Mr. Walter E. Hering has established for all time the Constantine Hering Chair of Homoeopathic Materia Medica, Therapeutics and Pharmacology.

Post Graduate instruction is offered the profession in the laboratories, wards, dispensaries and in the specialties throughout the year.

Correspondence is solicited.

THE TEMPLE UNIVERSITY

RUSSELL H. CONWELL, D.D., LL.D., President.

Department of Medicine

PHILADELPHIA, PA.

For Men and Women

Candidates for admission must have completed in addition to an accredited four year High School course, one year College credits in Chemistry, Physics, Biology, and a modern language, preferably German or French. The School offers to men and women a four years' graded course including all departments of the study of Medicine.

Rational correlated curriculum, making one of the most thorough and practical courses in medical education yet offered. Laboratories fully equipped, clinical material ample, being supplied by two hospitals directly under the control of the Faculty.

All quizzes are free, and the ward classes are divided into sections of two or three which practically provides for individual teaching.

The correlated system of teaching by which the same general subject is taught simultaneously in the different departments, introduced by the Temple University several years ago is now perfected and made to apply to the entire course for both clinical and didactic instruction.

The School of Medicine in addition to the College of the University offers a six years' course (Degrees of B. S. and M. D. in six years). The tuition fee is $150.00 per annum, payable in two instalments. The College session begins on or about September 15th, each year. For full particulars address,

DR. FRANK C. HAMMOND, Dean

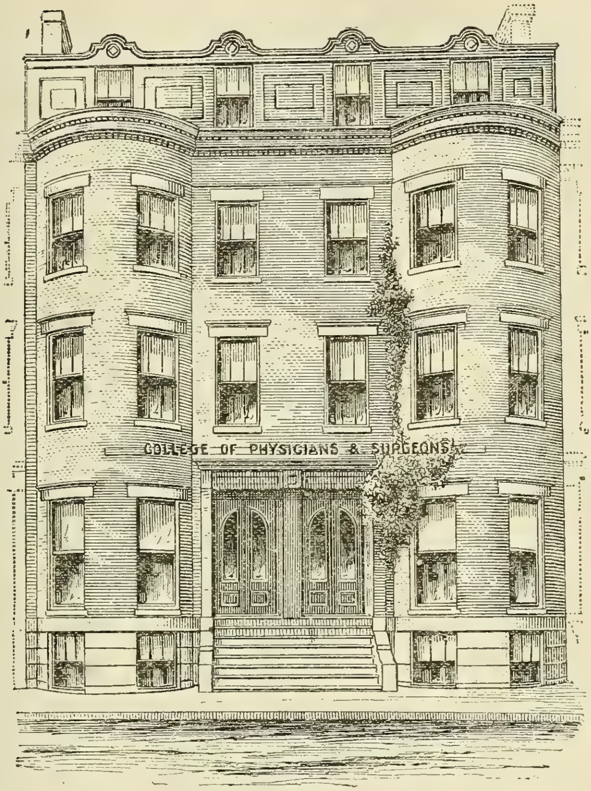
College of Physicians and Surgeons

BOSTON, MASS.

First Regular College in New England Admitting



Men and Women to Equal Privileges

THOMAS D. CROTHERS, A.M., M.D., Dean

PLAN OF INSTRUCTION

The plan of instruction comprises a four years' graded course, consisting of didactic and clinical lectures, conferences, laboratory practice, etc., upon the essential branches of the Science of Medicine. In addition to the lectures, there are recitations, clinical teaching and practical work in the laboratory and dissecting room.

REQUIREMENTS FOR GRADUATION

Candidates must be at least twenty-one years of age. They must have attended four annual courses of lectures, each in different years at this College; or, have attended three such courses at some other recognized medical college or colleges, and one at this; or, have attended two such courses at some other recognized medical college or colleges and two at this; or, have attended one such course at some other recognized college and three at this; or having been admitted to advanced standing in this College, by having pursued a prescribed course or courses of study in other recognized colleges or universities, in general conformity with the standard of American Medical Colleges, shall be required to have attended at this College only such courses of lectures as are necessary to complete the curriculum of four annual courses of lectures. Candidates must have dissected all parts of the cadaver. They must have attended six cases of obstetrics. Applicants who are registered practitioners of medicine should apply for special consideration, on individual merits, by the Censors of the College.

The Thirty-seventh Regular Session will commence on the third WEDNESDAY IN SEPTEMBER, 1916, and continue until the second Wednesday in June, 1917.

Instruction in Dentistry and Pharmacy offered.

Fifth year hospital course, under Board of Censors, optional.

Address the College.

Clinical Instruction in Chicago

Physicians visiting Chicago for brief clinical review or comprehensive post graduate study are invited to take advantage of the

Clinical Bulletin Service of Chicago

by which complete information concerning all clinics, special courses and other matters relative to medical work in Chicago, may be obtained.

One Hundred Clinics Daily

are listed in the Clinical Bulletin which is delivered early every morning to doctors registered at the Bulletin headquarters, Room 1123, 25 East Washington Street.

Write for further information and specimen copy of the Bulletin to

THE CLINICAL BULLETIN OF CHICAGO

25 East Washington St., Chicago, Illinois.

CORPUS LUTEUM
True substance. Powder; 2 grain and 5 grain capsules. 2 grain tablets.

PITUITARY LIQUID
Physiologically standardized. Free from preservatives. 1 c. c. ampoules.

PITUITARY POWDER
and 1 grain tablets (whole gland).

PITUITARY POWDER
and 2 grain tablets (anterior lobe).

PITUITARY POWDER
and 1 grain tablets (posterior lobe).

DUODENIN
1 grain tablets.

ELIXIR OF ENZYMES
Adjuvant and vehicle.

RED BONE MARROW
Hematogenetic. Histogenetic.

LECITHOL
Emulsion of Lecithin from brain substance.

CHYMOGEN
In infant feeding prevents formation of curds in milk.

PEPTONIZING TABLETS
Peptonizing Powders. For predigesting foods.

THYROIDS
U. S. P. powder standardized.

THYROID TABLETS
Standardized. 2gr., 1gr., ½ gr., ¼ gr.

PINEAL SUBSTANCE
Powder.

PINEAL SUBSTANCE
Tablets 1/20 gr.

NUTRIENT WINE OF BEEF PEPTONE
Predigested beef in palatable form.

PEPSIN U. S. P.

PANCREATIN U. S. P.

RENNET 1.30000

and a full line of organotherapeutics.

Armour's LABORATORY PRODUCTS

The Armour laboratory products are made from fresh raw material taken from federal inspected stock. The laboratory is located near the abattoirs, which enables us to put the membranes and glands into process before any deterioration has set in. All desiccating is done in vacuum dryers at a temperature that prevents injury to active principals, etc.

The physician that specifies Armour's gets the best.

Literature to medical men on request.

PURITY

THE BEST IS THE CHEAPEST

PEACOCK'S

BROMIDES

In Epilepsy and all cases demanding continued bromide treatment, its purity, uniformity and definite therapeutic action insures the maximum bromide results with the minimum danger of bromism or nausea.

CHIONIA

is a gentle but certain stimulant to the hepatic functions and overcomes suppressed biliary secretions. It is particularly indicated in the treatment of Biliousness, Jaundice, Constipation and all conditions caused by hepatic torpor.

LISTERINE

Listerine is an efficient, non-toxic antiseptic of accurately determined and uniform antiseptic power, prepared in a form convenient for immediate use.

Composed of volatile and non-volatile substances, Listerine is a balsamic antiseptic, refreshing in its application, lasting in its effect.

It is a saturated solution of boric acid, reinforced by the antiseptic properties of ozoniferous oils.

After the volatile constituents have evaporated, a film of boric acid remains evenly distributed upon the surfaces to which Listerine has been applied.

There is no possibility of poisonous effect through the absorption of Listerine.

Listerine is unirritating, even when applied to the most delicate tissues; in its full strength it does not coagulate serous albumen.

For those purposes wherein a poisonous or corrosive disinfectant can not be safely employed, Listerine is the most acceptable antiseptic for a physician's prescription.

Listerine is particularly useful in the treatment of abnormal conditions of the mucosa, and admirably suited for a wash, gargle or douche in catarrhal conditions of the nose and throat.

In proper dilution, Listerine may be freely and continuously used without prejudicial effect, either by injection or spray, in all the natural cavities of the body.

Administered internally, Listerine is promptly effective in arresting the excessive fermentation of the contents of the stomach.

In the treatment of summer complaints of infants and children, Listerine is extensively prescribed in doses of 10 drops to a teaspoonful.

In febrile conditions, nothing is comparable to Listerine as a mouth wash; two or three drachms to four ounces of water.

"The Inhibitory Action of Listerine," 128 pages descriptive of the antiseptic, will be mailed to physicians, upon request.

THE COLLEGE OF MEDICINE

of Syracuse University

SYRACUSE, :=: NEW YORK

SYRACUSE UNIVERSITY established its College of Medicine in 1872 by taking over the Geneva Medical School, a descendant of the Fairfield Medical College, the fifth medical school chartered in this country.

SYRACUSE offers laboratory instruction during the first two years in Anatomy, Physiology, Chemistry, Bacteriology, Pathology, Clinical Diagnosis, Materia Medica and Pharmacology in perfectly equipped laboratories under men who devote their entire time to teaching and to research.

SYRACUSE gives superior clinical opportunities, the juniors receive their training in the new College Dispensary and in the general clinics. The seniors spend the entire forenoon in the personal study of assigned cases under an instructor in the three general hospitals, the municipal laboratories and hospitals for contagious diseases and in public health field work. An unequalled laboratory and clinical course in Public Health is given in the senior year.

SYRACUSE MEN have no difficulty in securing such positions as hospital internes as they desire.

SYRACUSE ADMITS only those offering two years of specified college work in preparation.

COLLEGE FEES. The annual tuition is $200, without fees of any kind.

For further information or Bulletin, address
Secretary, 309 Orange street, Syracuse, N. Y.

CACTINA PILLETS

A CARDIAC TONIC

For functional heart troubles, such as tachycardia, palpitation, feebleness, and to sustain the heart in chronic and febrile diseases. It is not cumulative in its action.

Sold only in bottles of 100 Pillets.

PRUNOIDS

(EDIBLE TABLETS)

A Purgative Minus Cathartic Iniquities

A purgative that will produce as near physiological evacuation of the intestines as is possible by medication.

They do not excite excessive peristalsis—thus never gripe, and their use will never be followed by after-constipation.

A remarkably successful remedy in the permanent removal of constipation.

Sold only in boxes of 36 tablets.

The Indiana University School of Medicine

BLOOMINGTON AND INDIANAPOLIS

Matriculation—September each year.

Minimum Entrance Requirements of School of Medicine—Graduation from a commissioned high school or its equivalent, plus two years of collegiate work, which shall include General Chemistry, Qualitative Analysis and Organic Chemistry, and a preparation in Language, Physics and Biology, including Embryology.

Clinical Facilities—In hospitals, 460 beds. In dispensaries, 45,000 cases per year. Obstetrics, the service is so large that most students attend five or ten times the number of cases required by State Boards.

The Robert W. Long Hospital, the hospital of Indiana University of 100 beds, was opened for patients June, 1914. The facilities for clinical teaching, and also for interne service are of the highest order, since this hospital is under the full control of the University. Its residents are appointed for a service of from one to three years. Its nurses must matriculate as students in the School of Liberal Arts of Indiana University.

Interneships—Thirty-six hospital appointments are open to graduates.

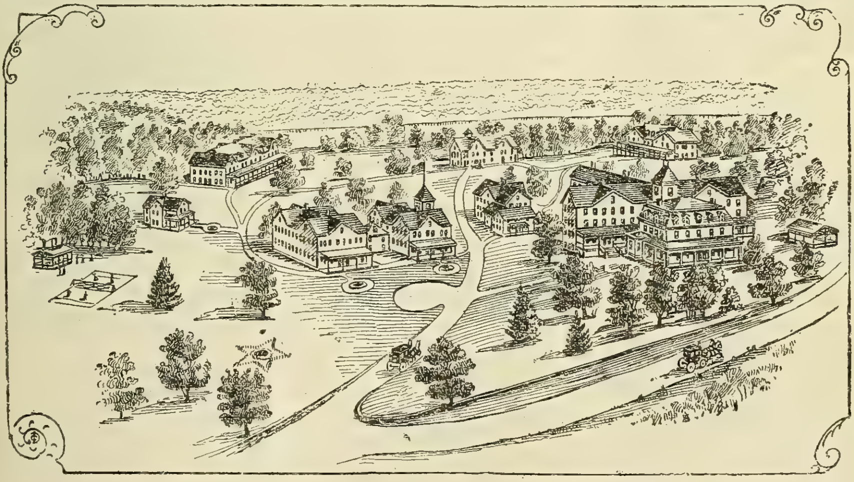
Fifth Year—Beginning with the session of 1909-1910 a fifth year was added to the curriculum, which, until further notice, will be optional.

Choice of Medical School—In entrance requirements, methods of instruction, clinical facilities, instructing staff, and indeed in every detail essential to the most progressive medical school, the Indiana University School of Medicine, commends itself to the young men of Indiana who expect to enter on the study of medicine. In addition to the educational advantages available during student life, the graduate finds himself within easy reach of a strong corps of sympathetic advisers, particularly helpful during the early years of practice.

Combined Arts-Medical Course—In addition to the regular medical courses referred to above, a combined Arts-Medical course is given, making it possible to secure both the B. S. and M. D. degrees in six years, and the A. B. and M. D. degrees in seven years.

Further Information—For further information address:

SECRETARY OF THE INDIANA UNIVERSITY SCHOOL OF MEDICINE,
Either at Bloomington or Indianapolis.



DR. GIVENS' SANITARIUM "STAMFORD HALL" Stamford, Conn.

Is a Sanitarium arranged on the Cottage Plan for the treatment of **Nervous and Mental Diseases,** with a separate department for Drug and Alcoholic Patients.

The location is fifty minutes from New York on the N. Y., N. H. & H. R. R. with 42 trains each way daily. Retired, pleasant surroundings. Cottages arranged with modern improvements. Individual nurses, baths, massage; Hydrotherapy-Faradic-Galvanic and Static Electricity are utilized. Address

AMOS J. GIVENS, M. D., Stamford, Conn.

To Superintendents of Hospitals and Surgical Supply Houses

Curity HOSPITAL ABSORBENT GAUZE AND COTTON

Curity Absorbent Cotton

is **IN LAYERS,** rolled in tissue. Our long experience in the manufacture of Absorbent Cotton leads us to say that we are producing a line of goods superior to any in the market.

Curity HOSPITAL GAUZE

is noted for its soft finish, and being entirely free from all sizing is particularly adapted for surgical dressings and sterilized sponges. Our gauze is used by Hospitals all over the United States and Canada.

Write for particulars on bandage rolls. A great convenience for bandage purposes, and always ready for emergency use.

Do not place your order for any of these goods without first getting our prices.

Lewis Manufacturing Company

Main Office and Mills: WALPOLE, MASS.

BRANCH OFFICES:

NEW YORK 70 Fifth Ave.

CHICAGO 30 N. LaSalle St.

OAKLAND 483 Moss Ave.

Maternity and Infant Hospital

OF CHICAGO

(INCORPORATED)

Offers a quiet, secluded home; no publicity.

For pay patients and those working for expense.

Infants boarded or placed into homes for adoption after careful investigation.

Patients received at any time, entering early preferred.

This Maternity Home is conducted in an ethical and Christian manner. We do no abortion work. It is run in a quiet and orderly manner. We assist patients in keeping their baby when they are in a position to do so. If not we find the infant a home and keep full records as to its disposition, and in all things comply with the law and ordinances.

We invite Physicians to visit our place. Make full investigation before sending us patients. We meet patients at the train and look after them carefully while under our care.

Address—

W. F. BRINEY, M. D., Supt.

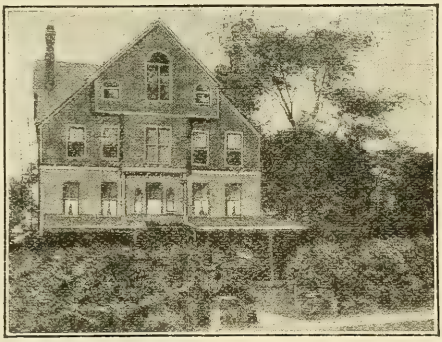
Fairmount Home

A Well Equipped Institution



A. J. PRESSEY, M. D.,
A. F. IRWIN, M. D.,
Physician in Charge

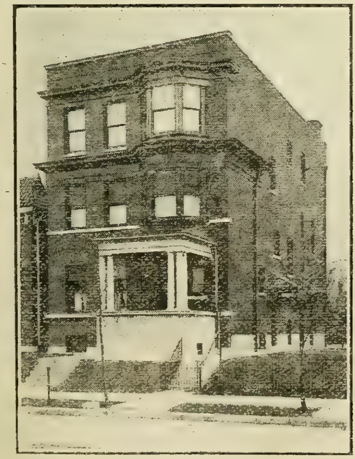
Exclusively for the treatment of narcotic and alcoholic addictions. For detailed method, write for circular and reprints of papers read at the American Medical Association.

2219 Fairmount Road CLEVELAND, OHIO

Missouri Sanitarium

4496 Laclede Ave., ST. LOUIS, MO.

Established 1886 **Incorporated 1903**



A Private Sanitarium for Women during pregnancy, confinement or gynecological treatment, with every facility for their care and protection.

This Institution is especially a private retreat for unmarried pregnant women who prefer to be away from home during pregnancy and confinement to preserve individual character or family reputation.

Homes found for infants when desired.

Charges reasonable. Correspondence strictly confidential.

The Journal of Inebriety

The Organ of the American Association for the Study of Inebriates, is Devoted Exclusively to the Medical and Scientific Study of

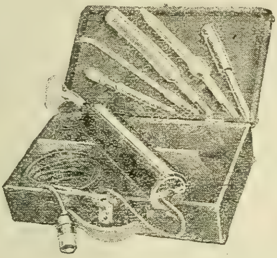
Inebriety, Alcoholism and Opium Mania

SUBSCRIPTION PRICE, ONLY $2.00 PER YEAR.

This Journal is the organ of the American Association for the Study of Inebriety, and was established in 1876. It is accepted as authority, and circulated among physicians, lawyers, judges and philanthropists, from Maine to California; also the Provinces of Canada and European nations. As an Advertising Medium it is unsurpassed. All communications should be addressed:

Published by JOURNAL OF INEBRIETY PUB. CO.,
at Hartford, Conn.

T. D. Crothers, M. D., Editor,
Hartford, Conn.



The VIOLETTA is a ONE-PIECE HIGH-FREQUENCY GENERATOR, all the mechanism being contained in the handle. Because of its peculiar construction it is very convenient for ORIFICIAL USE. With the use of the metal electrode in the machine, contact can be made with the orificial electrode while inserted. This eliminates any movement of the electrode while inserted.

The VIOLETTA is efficient, safe, durable, and operates on any current.

The complete outfit here shown is $29.75 and is absolutely guaranteed.

Patentees and Sole Manufacturers of

Tivey's Seamless Heel Elastic Stockings

All kinds of Surgical Elastic Bandages, Hose, Abdominal Belts, Suspensories, Etc., manufactured to order in the shortest possible time.

Established 1870

TIVEY & CO.

No. 9 Forest Street
Newton Highlands, Mass.

ABSOLUTELY PURE & UNADULTERATED
TRADE MARK

When a Physician Prescribes

"Whiskey" he knows there are certain elements in the average whiskies of commerce that should never be administered to the delicate or aged.

DUFFY'S PURE MALT WHISKEY

is made to meet the requirements of the profession and laity for a reliable stimulant. It possesses the necessary body and soft wholesome flavor of malt so acceptable to the weak stomach. This, brought about through a process that eliminates the dangerous by-products of distillation.

We would like to send all registered physicians our booklet, "Pointed Opinions from the Medical Profession" containing fusel oil, tannin charts, along with a sample of our famous product.

The Duffy Malt Whiskey Co.
Rochester, N. Y.

The Binghamton Training School

An ideal private home school for Nervous, Backward and Mentally Defected Children. Physical Culture, Manual Training and all branches for the feeble minded. 39th Year. For complete information address—

AUGUST A. BOLDT, Supt.
82 Fairview Avenue
Binghamton, New York

NO AGE LIMIT

COMFORT TO MANKIND

And since 1870 adding years to a man's life—SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE and RUPTURE.

Before taking notice of STARTLING ADVERTISEMENTS of so-called VARICOCELE CURES see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you he wears them himself. Any better indorsement wanted?

A SCHNOTER'S SUSPENSORY is the only safeguard against VARICOCELE, RUPTURE, etc.

In use by all prominent ATHLETES, PROFESSIONAL MEN, BUSINESS MEN, POLICEMEN, FIREMEN, LETTER CARRIERS and used in UNITED STATES ARMY and NAVY. WHEELMEN should not be without one.

TRADE J.C.S. MARK REGISTERED

Indorsed by prominent physicians and surgeons since 1870. Also by Authorities on Hygiene and Physical Culture.

We are specialists in SUSPENSORY making and we cheerfully give you any information regarding VARICOCELE and RUPTURE.

Ask your druggist for the "GENUINE SCHNOTER'S SUSPENSORY BANDAGES." (Look for the above trade mark.) If he has not our make in stock, and refuses to get it for you, send direct to us and we will mail to you in plain wrapper on receipt of price. Plain style, COTTON, 30c and 40c; LINEN, 50c; Silk, 50c, 60c and 75c; A. and N. STYLE, no elastic, 30c; ARMY and NAVY style, with lisle elastic belt and straps, 65c; LINEN, 75c; BEST SILK, $1.

Guaranteed and manufactured solely by the **J. C. SCHNOTER CO.**

See Page 1749 **(Headquarters) 523 6th Ave., near 31st St., New York, U. S. A.**

MAN'S HEALTH FORTIFIED

By living a healthful active life and assisting nature in obviating the strain due to severe physical exercise and with the assistance of a celebrated "SCHNOTER'S" Army and Navy Suspensory which will give and keep you in better bodily vigor than all the patent medicines that were ever introduced to the public. Ask your physician about this.

Remember these Words:

"A walk of a mile in the open air
Will save you more than your nickel fare,
For in God's out-doors the air is good,
It will clear your brain and redden your blood,
And bring you more vigor and health by far
Than you can possibly get in any old car."

The Genuine Schnoter's Suspensories are retailed at all druggists. Send for descriptive booklet. By the Pioneers in Suspensory making.

J. C. SCHNOTER CO., Suspensories

See page 1747 Established 1870. Tel. Conn. NEW YORK, N. Y., U. S. A.
